Dear New Resident(s),

Welcome to your new neighborhood.

On behalf of the Hilltop Homeowners Association Board of Directors and members we want to say we are pleased you have chosen to become a part of our community. We have all experienced the move here and know that it can be challenging.

We hope the information on this website will be of help during your transition.

There is much to like and enjoy in our community as it is a wonderful place to put down roots and enjoy the neighborly hospitality of friends waiting to make your acquaintance. There are a number of ways you can make connections to the neighbors in the other 193 townhomes which make up the Hilltop community.

We encourage you to simply say "Hello" to folks and striking up a conversation, perhaps as you or a neighbor are out walking a dog.

If you are on the shy side you can request that Adam, our Property manager send you an invitation to hilltopnextdoor.com. Since site is by invitation only to verified residents, it is a safe place to meet new neighbors, announce event, sell things and more. See the "Nextdoor" tab on the website.

We look forward to your involvement in the community however great or small that might be and want to be a resource if you have any questions. Again welcome and we wish you all the best in your new home.

Sincerely,

Hilltop HOA Board of Directors
